ANNUAL GENERAL MEETING

The Paws n Music Association will be holding its AGM during the show lunch break on Saturday 20th May 2017.

DEFINITIONS OF CLASSES

Heelwork to Music – The principal element of the Heelwork to Music category will be a dog working off lead in the heelwork position, on the left or right hand side of the handler, facing forward or backward; across the front or back of the handler; moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to, the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heelwork.

Musical Dressage – (Additional Category) Movements of the dog will show a continuous natural rhythmic movement reflecting the timing of the music. It may be at more than one gait, i.e. walk, trot or canter and in any direction provided a balanced and continuous rhythm is maintained throughout each element, and elements are smoothly linked. Dressage moves should be performed off lead in both heel and free positions.

Freestyle – A Freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

Dances with Dogs – (Additional Category) This routine must be recognisable as dancing on the part of the handler. The dog will carry out moves from heelwork, dressage, freestyle or a combination, in a range of positions. All movement for both partners should be appropriate for the music and chosen dance style. In this division the movement of the handler is as important as that of the dog and will be marked accordingly 50/50.

OFFICIAL CLASSES

For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category (see definitions above). Dogs may be entered in eligible classes in more than one category, however a different routine must be worked.

To count towards class progression or an excellent qualification, a first place must have been won with an overall score of at least 55% (16.5 marks).

The following points will be awarded in all Kennel Club standard classes. The same point system will apply to qualify out of PnM additional classes, with the exception of any scheduled fun classes:

First Place - 10 points; Second Place - 6 points;

Third Place - 4 Points; Fourth Place - 2 Points

On entrance to the next level of classes, the points will return to zero.

It is the handler's responsibility to a keep full and accurate account of the points their dogs are awarded.

Rosettes will be awarded for 1st to 8th place. Prize cards will be given 1st-4th place and a trophy for first place winners in all classes.

All competitors must be in possession of a Kennel Club Heelwork To Music Record book for each competing dog detailing the points gained and where each award was gained.

Additional classes may be scheduled but only in conjunction with official class.

The following definitions apply to Heelwork to Music and Freestyle official Classes, and Paws N Music additional classes as applicable;

a. Starters. Neither the dog nor the handler must have gained 14 points or more in official Starters classes at Kennel Club Licensed Heelwork to Music competitions. Dogs or Handlers must progress to Novice once 14 points or more have been gained in starters classes. *NB Handlers are not eligible for this class if they have previously gained 14 or more points in official starters classes with any dog.*

b. Novice. The Dog or Handler must have gained 14 points or more in official Starters classes at Kennel Club licensed Heelwork to Music competitions. The Dog must progress to Intermediate once 16 points or more have been gained in Novice classes.

c. Intermediate. The Dog must have gained 16 points or more in official Novice classes at Kennel Club licensed Heelwork to Music competitions. The Dog must progress to Advanced once 20 or more points, including at least one first place, have been gained in Intermediate classes.

d. Advanced. The dog must have gained 20 points or more including at least one first place in official Intermediate classes at Kennel Club licensed Heelwork to Music competitions.

In estimating the number of awards won, all wins up to and including the seventh day before the closing date of entries, Saturday 15th April 2017, shall be counted when entering any class.

A dog must only be entered in a class per day for which it is eligible in each category. A dog is only eligible for one level.

HTM Competitions must include the organiser's choice of official categories and classes, which must be specified in the Schedule.

Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and printed in catalogues. Only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follows: HTM St., HTM N., HTM I. for different classes of Heelwork to Music. FS St., FS N., FS I, for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM.A or FS.A after its name as appropriate.

Excellent Qualifications. If a first place has been won at a particular level, when the required level of points have been gained the dog will also be awarded an excellent qualification and can use the title "Ex" after its class title, such as: HTM St Ex.

In the event of any dispute, evidence of such authority and consent will be required.
A dog acquired subsequent to entry having been made at a competition may compete as the new owner's property provided that an application for the transfer has been forwarded to the Kennel Club before the competition, and the new owner has undertaken to abide by the Regulations and conditions of the original entry form (and in accordance with the conditions set out above).

27. Dogs will be marked for excessive barking and noise unless cued and obviously a part of the routine.
28. If the music stops during a routine the competitor must be given an opportunity to complete the routine. The handler's backup music may be used and/or alternative equipment, if this was the reason for failure. The Judges should continue marking from the point at which the music stopped. If the competitor chooses to withdraw from the class no marks will be awarded.

JUDGING

Judges at Kennel Club licensed HTM competitions are expected to maintain and abide by the highest standards in

accordance with Kennel Club Rules and Regulations and appropriate Codes of Best Practice as published from time to time.

Judges' discretion prevails and Judges' decisions are final. No competitor shall impugn the decision of the judge or judges.

Organisers of HTM Competitions must ensure that those invited to judge are competent to fulfil their engagement taking into account the nature of the competition.

In the event of the handler physically disciplining the dog in the ring the Lead Judge must eliminate the dog from further competition in that class.

The Judge(s) must observe the dog at all times whilst it is in the ring, even after elimination from competition.

In the event of dogs obtaining equality of marks in Heelwork to Music or Musical Dressage competitions, the Accuracy and Execution of Movement mark will decide the result. In Freestyle or Dances with Dogs competitions, the Musical Interpretation mark will decide the result.

Where there is still equality of marks the order shall be decided at the discretion of the Lead (head) Judge.

If the overall score of the judge's criteria is below 55% (16.5 marks) the class points will be withheld for that routine. There shall be at least four awards on offer in every class and printed award cards and rosettes may be given but the associated points would be withheld.

The dog should work in a willing and natural manner. Excessive noise and barking will be penalised and a maximum of 4 marks can be deducted from the overall score at the Judge's discretion.

Dogs will be disqualified if proved to have been handled in the class by a scheduled judge's spouse or immediate family, or resident at the same address as a scheduled judge.

Any unnecessary physical assistance must be penalised with points deducted from Accuracy and Execution of the Movement section.

Any activity that may be injurious to the dog or is not permitted by virtue of regulation L.11.j will result in immediate elimination from the ring.

Should a Judge be unable to fulfil their appointment the organiser reserves the right to appoint an alternative Judge.

Should circumstances so dictate the organiser, in consultation with the judges, may alter arrangements as necessary. Such changes will be reported to the Kennel Club.

There must be at least two judges in all Kennel Club classes apart from Crufts Semi-Final Qualifiers (where there should be three) and in exceptional circumstances, whereby the Society should notify the Kennel Club as soon as possible.
