DEFINITIONS OF CLASSES

Heelwork to Music – The principal element of the Heelwork to Music category will be a dog working off lead in the heelwork position, on the left or right hand side of the handler, facing forward or backward; across the front or back of the handler; moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to, the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heelwork.

Musical Dressage – (Additional Category) Movements of the dog will show a continuous natural rhythmic movement reflecting the timing of the music. It may be at more than one gait, i.e. walk, trot or canter and in any direction provided a balanced and continuous rhythm is maintained throughout each element, and elements are smoothly linked. Dressage moves should be performed off lead in both heel and free positions.

Freestyle – A Freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

Dances with Dogs – (Additional Category) This routine must be recognisable as dancing on the part of the handler. The dog will carry out moves from heelwork, dressage, freestyle or a combination, in a range of positions. All movement for both partners should be appropriate for the music and chosen dance style. In this division the movement of the handler is as important as that of the dog and will be marked accordingly 50/50.

OFFICIAL CLASSES

For one dog and one handler only. When assessing eligibility to enter a competition, wins in one official category will not count for the other official category (see definitions above). At the discretion of the Competition Organisers, dogs may be entered in eligible classes in both categories, however a different routine must be worked.

Definition of Classes and Points

In the following definitions of classes all points must be gained in official classes only.

To count towards class progression a first place in Starters or Novice, or two first places in Intermediate, must have been won with an overall score of at least 60% (18 marks).

The following points will be awarded in all Kennel Club standard classes. The same point system will apply to qualify out of PnM additional classes:

First Place - 10 points; Second Place - 6 points; Third Place - 4 Points; Fourth Place - 2 Points

On entrance to the next level of classes, the points will return to zero.

All competitors must be in possession of a Kennel Club Heelwork To Music Record Book for each competing dog detailing the points gained and where each award was gained.

Additional classes may be scheduled but only in conjunction with official classes.

The following class definitions apply to both Heelwork to Music and Freestyle official Classes, and Paws N

Music additional classes as applicable;

a. Starters. Neither the dog nor the handler must have gained 14 points or more including a win, nor have elected to progress on points (20 point or more) in official Starters classes at Kennel Club Licensed Heelwork to Music competitions. Dogs or Handlers must progress to Novice once 14 points or more including a win have been gained in starters' classes but may, at the handles discretion, elect to progress on 20 points without a win. NB Handlers and dogs previously qualified out of Starters are not eligible for this class.

b. Novice. The Dog or Handler must have gained 14 points or more including a win, or have elected to progress on 20 points or more in official Starters classes at Kennel Club licensed Heelwork to Music competitions. The Dog must progress to Intermediate once 16 points or more including a win, or a total of 28 points or more have been gained in Novice classes.

c. Intermediate. The Dog must have gained 16 points or more including a win, or a total of 28 points or more in official Novice classes at Kennel Club licensed Heelwork to Music competitions. The Dog must progress to Advanced once at least two first places, have been gained in Intermediate classes.

d. Advanced. The dog must have gained at least two first places in official Intermediate classes at Kennel Club licensed Heelwork to Music competitions.

In estimating the number of awards won, all wins up to and including the seventh day before the closing date of entries, Friday 12th April 2019, shall be counted when entering any class.

A dog must only be entered in a class per day for which it is eligible in each category. A dog is only eligible for one level. HTM Competitions must include the Organiser's choice of official categories and classes, which must be specified in the Schedule. Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and printed in catalogues.

Only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follows: HTM St., HTM N., HTM I. for different classes of Heelwork to Music. FS St., FS N., FS I, for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM.A or FS.A after its name as appropriate.

Excellent Qualifications. If a first place has been won in Starters or Novice or two first places at Intermediate or Advanced, when the required level of points have been gained the dog will also be awarded an excellent qualification and can use the title "Ex" after its class title, such as: HTM St Ex. Wins, places and points gained in special classes will not count towards class progression or Excellent Qualifications.

Rosettes will be awarded for 1st to 8th place. Prize cards will be given 1st-4th place and a trophy for first place winners in all classes. No modification may be made to the schedule once published except by permission of the General Committee for the Kennel Club, which must be followed by an advertisement in the Canine press if possible.
